

Recently graduated or keen to gain experience ?

Morette Equine Hospital offers a practical training program to strengthen your clinical skills and theoretical knowledge. The program will provide you with a high exposure to a great variety of clinical cases. The gained experience will prepare you for high-quality service in practice or can be your first step towards veterinary specialisation.

Interested?

Morette Equine Hospital, a referral center with board certified specialists located near Brussels in Belgium offers 4 to 5 recognised rotating internship positions per year.

[Learn more here](#) or join the **online info-session** where we explain further and answer all your questions: Tuesday **24th of January at 8pm**: [Register here](#)

What will you do?

Curious to learn about experiences of previous interns ? [Click here](#)

- ✓ Learn while working.
- ✓ Work with our European recognised specialists (Michael Meulyzer (ECVS), Katrien Palmers (ECEIM), Elke Pollaris (EVDC)) and many other highly educated equine veterinarians.
- ✓ Participate in providing medical and surgical clinical services as well as emergency care.
- ✓ You will be exposed to various disciplines (radiology, anaesthesiology, internal medicine, surgery, orthopaedics,...).
- ✓ Set and meet personal goals such as preparing case reports or scientific presentations.

Candidates with previous working experience are preferred for the internship, but recent graduates are welcome to apply.

Duration Internship: 12 months to 15 months (based on previous working experience)

Approximated starting date next position: end of March

Candidate requirements

All applicants have to be **European citizens** and have a degree in Veterinary Medicine.
Good knowledge of **English** is mandatory (knowledge of Dutch/French can be an advantage).

Application procedure:

Applicants should submit a letter of intent, CV with ID picture and name and details of 2 references to [**internship@demorette.be**](mailto:internship@demorette.be).

Candidates are asked to **visit as an extern** for 1-2 weeks - Lodging is provided.

Send your request to internship@demorette.be.
